

Handbook for the Radio Journalism Course in Political Reporting

IWPR Africa
English

This Course Handbook has been produced to accompany the Uganda Radio Network Advanced Radio Journalism Course, which is being run throughout Uganda for freelance radio journalists in 2005 and 2006. The Handbook, which follows the day-by-day course programme, contains transcripts of PowerPoint presentations plus additional supporting material. It is important to note that the material presented in text boxes represents the PowerPoint presentations and can only be properly understood in the context of the course itself.
