

Ukraine: Effective Control over Community Funds (E-Toolkit No. 1)

Ukraine

From the Borderland to the Steppes

This e-toolkit for civic activists and journalists contains general guidelines on how to follow public money especially at the local level – government, public procurement and municipal enterprises – with web links to numerous public registers and open data sets, practical advice and useful examples. It was authored within the Norway-funded *Giving Voice, Driving Change: From the Borderland to the Steppes* project by IWPR programme consultant Glib Kanevskyi.
